ABOUT OIKOS UNIVERSITY

AT OIKOS UNIVERSITY, students are given the opportunity to obtain a Christian education that is based on solid Christian doctrine and ideology. Our main goal is to foster spiritual Christian leaders who abide by God's intentions and to expand God's nation through them. To accomplish our mission, we actively seek out, educate and train students, ministers, teachers and church leaders to become more qualified leaders. Oikos University has rapidly grown in its quality and size to become an institution that contributes to and positively changes its surrounding environment--and the world in general.

- Oikos University makes education accessible to a wider population of students by offering affordable tuition fees and by issuing Form I-20 (Certificate of Eligibility) to accommodate international students.
- The qualified and experienced faculty at Oikos University provides enrolled students with a high-quality education that gives the students new insights that challenge them to think about Christianity in new and different ways.
- Located in the heart of San Francisco Bay Area, you will enjoy cultural amenities, as well as beautiful landscapes, while studying at Oikos University.

SCHOOL OF THEOLOGY

The School of Theology at Oikos University offers programs that are based on reformed, evangelical and conservative theological foundations. The faculty in the School of Theology is composed of highly accomplished scholars who are experts in their theological disciplines, and students are strongly encouraged to benefit from their respective expertise while studying at Oikos. Students will not only gain invaluable knowledge, but will also train to become spiritually sound Christian leaders in their respective groups and organizations.
